

2021 us solar container site

All solar panels can be folderable and put into the standard ISO dimension container, which is very convenient for transportation and quick for unfold at the site. All other accessories ...

This March, not last March (it says 2021). I expected as much, it's just that the title of this thread is "Updated Post II Acceptance Rates 2021" so I wasn't sure if this was meant to be the for ...
