

Can the deposit on the academic network be exchanged for deposit

Of course you need the publisher's permission, but in many cases this is automatically part of the publishing agreement (and you can often negotiate for it in other cases).

Students need to submit a deposit of HK\$1,500 to secure the exchange place after accepting an offer. The deposit will be returned to you after you receive the letter of admission from your host university.

Even with the argument of the scholarship it is still very risky to double deposit. So unless the scholarship is very very substantial and would immensely affect your decision, then don't.

Can I deposit cash/ cheque via Cash/Cheque Deposit Machine or Cheque Drop Box to settle my fees? Please DO NOT deposit the cash/cheque in the Cash/ Cheque Deposit Machine or Cheque Drop Box ...

First off don't answer any DM's! Don't ever share your private key (recovery phrase) with anyone! Watch some videos of how to use MetaMask wallet and use Polygon network to transfer. I think ...

Maybe you can get it exchanged next time you vacation in the Middle East. I don't think you are the first service-person to have this issue so maybe contact someone in the service for this question.

The withdrawal network for the other wallet for the exchange platform must be consistent with the deposit network for BlockFin. For example, if you select USDT-TRC20 as the deposit network, the ...
