

It adopts a distributed temperature control design and uses door-mounted air conditioners instead of traditional centralized air conditioners to avoid differences in heat dissipation effects caused by ...

Inflammatory and oxidative stress responses of healthy elders to solar-assisted large-scale cleaning system (SALSCS) and changes in ambient air pollution: A quasi-interventional study in Xi'an, China ...

Li Hai-Quan, Liu Xiao-Feng, Guo Shao-Jing, Cai Guo-Ping. Deployment dynamics and control of large-scale flexible solar array system with ...

These results emphasize the importance of large-scale PV plant siting as it impacts the efficiency of PV integration and the optimal land use. Hence, this methodology equips decision ...

Therefore, we propose the first large-scale container dataset in this work, containing 1700 container images and 4810 container hole images, for benchmarking container hole location and detection.

Inflammatory and oxidative stress responses of healthy elders to solar-assisted large-scale cleaning system (SALSCS) and changes in ambient air pollution: A quasi-interventional study in Xi'an, China.

Inflammatory and oxidative stress responses of healthy elders to solar-assisted large-scale cleaning system (SALSCS) and changes in ambient air pollution: A quasi-interventional study in Xi'an, China

The results show that the proposed method can effectively coordinate the multi-energy complementary and coordinated operation of multiple hybrid energy storage, and the obtained operation strategy of ...

Engineered for versatility, durability, and unmatched efficiency, this prefabricated solar array container system simplifies renewable energy adoption across commercial, industrial, and large-scale ...

In this paper, deployment dynamics and control of large-scale flexible solar array system with deployable mast are investigated. The adopted solar array system is introduced firstly, ...

It integrates battery cabinets, lithium battery management systems (BMS), and container dynamic environment monitoring systems, and can integrate storage batteries according to customer needs, ...

Li Hai-Quan, Liu Xiao-Feng, Guo Shao-Jing, Cai Guo-Ping. Deployment dynamics and control of large-scale flexible solar array system with deployable mast ...

To address the challenges of large-scale solar development in desert areas and enhance power generation, we recommend implementing effective land-use policies that balance ...
