Roger Dubuis started his career at Longines in the late 1950s, and founded his own atelier in 1980 after 14 years of developing complications in Geneva for Patek Philippe. He took commissions to design new complications for major brands for several years. Carlos Dias, a designer for Franck Muller, joined Dubuis to launch the brand. The Roger Dubuis Manufacture in Geneva was founded in 1995. After four years of d...
