

College of Horticultural Science and Engineering has a long and glorious history of advanced education. Its history can be traced back to the Department of Horticulture in College of ...

Research Center of Shandong Province-- Geotechnical and Structural Engineering Research Center Modern Logistics Research Center Key Lab of Shandong Province-- Key Laboratory for Laser ...

Key Laboratory of Building Structure and Underground Engineering of Anhui Province, Anhui University of Civil Engineering and Architecture 2. Research Center of Urban Construction and Underground ...

HE's research interests are heat and mass transfer enhancement (evaporative cooling R& D), cooling tower performance optimization (dry/wet/hybrid cooling), solar/geothermal power system simulation...

Institute of Environment Protection Science and Technology Geo-information System Engineering Department of Sustainable Development Research Center of Shandong Province

Shun JIA, Professor | Cited by 1,783 | of Shandong University of Science and Technology, Qingdao | Read 63 publications | Contact Shun JIA

Introduction to Shandong Agriculture and Engineering University Shandong Agriculture and Engineering University (SDAEU) is a provincial general ...

Chemistry is one of the early disciplines in Shandong University. In 1912, Shandong University established the subject of Applied Chemistry. In 1926, the Department of Applied Chemistry was ...

School of Biological Science and Medical Engineering, Beihang University; Key Laboratory for Biomechanics and Mechanobiology of Ministry of Education, Beihang University; Beijing Key Lab for ...

The school of environmental science and engineering was jointly established by Shandong University and Environmental Protection Agency of Shandong province, where education, scientific research, ...

Power Engineering and Engineering Thermophysics is selected in the first Characteristic Disciplines of Peak Program (Shandong University) and also in the construction plan of First-Class Subject Group.

The university library houses a collection of about 5,600, 000 volumes. Shandong University is a higher learning institution open to the world. Over the years, ...

Shandong university solar container science and engineering

Shandong University is a comprehensive university in China with full-fledged academic disciplines. There are at present 12 general disciplines for ...

ResearchInstitute Relay Protection Academicstatus Associate Editor of International Journal of Electrical Power & Energy Systems, Member of the Cigre B5...

The school also clutives academic graduate student in five major disciplines: Mechanical Manufactroing & Automation, Materials Science & Engineering, Information & Communication Engineering, Control ...

Considering the potential threats posed by oily wastewater to the ecosystem, it is urgently in demand to develop efficient, eco-friendly, and intelligent oil/water ...

Qingzhe ZHANG, Professor (Full) | Cited by 1,822 | of Shandong University, Jinan (SDU) | Read 54 publications | Contact Qingzhe ZHANG

The outcome of our research has been highlighted in multiple science nuggets of relevant space instruments, and has been in spotlight covered by international media. Our team members have been...

Traditional solar water disinfection has low efficiency. Solar-to-heat converting nanomaterials enable the synergy of solar radiation and heat to kill water-borne ...

Shandong University Institute of Thermal Science and Engineering Jinan, China Position Lecturer and Researcher August 2006 - June 2012

Compositional engineering of mixed halides is an effective approach to fabricate highly efficient perovskite solar cell.

Improved charge extraction through interface engineering for 10.12% efficiency and stable CsPbBr₃perovskite solar cells Article Oct 2020 Jingwei Zhu Mixue Tang ...

The School of Cryptographic Science and Engineering was inaugurated at Shandong University on March 22. The school is intended to serve as a Chinese-style world-class innovation platform in ...

School of Political Science and Public Administration, Shandong University19 School of Materials Science and Engineering, Shandong Jianzhu University19 School of Chemistry & Physics, ...

Shandong university solar container science and engineering
