

The name of the school is

What does the name of my school mean?

The name of my school is just another way to show possession without using the apostrophe s. In your example (since the first has no context and the last is not correct), my school's name and the name of my school mean exactly the same thing. Please give us the sentence in which you might use this as context. It helps us give an accurate answer.

What is the difference between 'my school's name' and 'the name of my school'?

Both phrases are correct and express the same idea. 'My school's name' is more informal, while 'the name of my school' is more formal. This phrase is correct and commonly used in informal contexts. This phrase is used to refer to the name of the school one attends or is associated with. It is more casual and commonly used in everyday conversations.

What was 'the School'?

What is referred to as 'the School' was much more than a group of some outstanding Dominicans teaching in Salamanca. It was an epistemic community and a community of practices that was active in many places, far beyond what later became Spain.

What is @school?

@school is a platform that makes it easy for children, teachers, and parents to explore the World Wide Web and make the most of its rich source of nursery and primary level educational material. @school has been developed with both inexperienced and frequent Internet users in mind.
